Manisha Jaykar Tel No [REDACTED]

Duration of illness : 3 yrs.

Duration of Treatment : 3 months (August 2011 - October 2011)

Percentage of recovery : 90%.

My name is Mrs. Manisha Jaykar. I was suffering from kidney stone, chronic gastritis, polycystic ovaries and Hiatus Hernia. I was very upset because of my illness. I had undergone allopathy as well as ayurvedic treatments, but it was not so beneficial. Because of health issues, I was very disturbed in my personal ^{life} as well as in career. It was my Sir and Madam (Mr. Prashant Chogle & ^{Mrs} Smita Deshpande) who suggested me to try homoeopathy treatment. Both my Sir and Madam insisted that I should take treatment from Dr. Sunil Mehra. I am very thankful to Prashant Sir and Smita Madam (Managers of Regulatory Affairs dept, Cipla Ltd., Andheri, Marol). Similarly I would like to thank Dr. Sunil Mehra who has given my treatment.

I started my treatment from Dr. Sunil Mehra in the July end. As instructed by Dr. Sunil, I followed my diet. I stay at Nerul and I visited clinic since last 3 months. Both the compounders gave me co-operation for the appointments system. Homoeopathy treatment has changed my life completely. Since last 3 yrs. I had spend lots of money as well as time on the various treatments. But homoeopathy treatment has done miracle in my life.

You need to have patience, right kind of food at right time (as suggested by Dr. Sunil), good eating habits etc. If we follow what Sir says, and take proper medicine on time, you will see the miracle in your life.

Today my 2 problems of illness has been solved (chronic gastritis and kidney stone). Actually speaking i hardly had any conversation with Dr. Sunil regarding my kidney stone. It was only the diet that Dr. Sunil suggested, helped me to get rid of kidney stone.

I was undergoing treatment for 3 yrs and today i am feeling far more better than earlier. Initially, I am very satisfied regarding homoeopathy treatments. Homoeopathy treatment will show you positive results, if right diet and right food is eating habit is followed.

Keeping record in my diary of my daily eating habits, consulting doctor, visiting his clinic regularly, taking the medicines properly has helped me a lot. Earlier i was not so aware that eating cucumber and carrot as suggested by Dr. Sunil is so beneficial. During my illness in last 3 yrs, i was feeling fatigue, tired, fed up of eating medicines etc.

Dr. Sunil is very co-operative, honest, truthful. He takes personal care of the patients and also is very concerned about them.

I would like to suggest all my dear friends, do undergo homoeopathy treatment from Dr. Sunil Mehra for any kind of illness.

Kindly follow the instructions given by Dr. Sunil for ^{diet} ~~diets~~ control, exercise, medicines, follow-up etc. and see the miracles in your life. Dr. Sunil has changed my lifestyle and eating style and also my attitude that 'Health is Wealth'.

All thanks to Dr. Mehra and my
